Written by : Chase Baker, Chris Crabb, Colin Hatch, and Joseph Luca Scolari

Heads together we can work this out  
Now's the time to make a new start (yeah)

Got the brains to run this town  
All we're missing now is the art (yeah)

Are you in, are you out are you with me  
Make believe you got not doubts

Take a sip, light a hit nice and easy  
Hit the floor when the lights go out

(Put on your best shirt)  
I can't miss another night like this  
(Cool like bad kids)

(Can't quite remember)  
What we did finally we fit in  
(Cool like bad kids)

Bad kids

Cool like bad kids

Woke up in your front yard  
Trying to figure out how we got here

I recall getting in your car  
After that it's all so unclear

How'd we fail the test when we had all the questions  
Here's to finding out who you are

(Put on your best shirt)  
I can't miss another night like this  
(Cool like bad kids)

(Can't quite remember)  
What we did finally we fit in  
(Cool like bad kids)

Bad kids

Cool like bad kids

Barely made it out  
Of that dive

Hope we had the time  
Of our lives

Barely made it out  
Of that dive  
Hope we had the time  
Of our lives

(Put on your best shirt)  
I can't miss another night like this  
(Cool like bad kids)

(Can't quite remember)  
What we did finally we fit in  
(Cool like bad kids)

Bad kids

Cool like bad kids

(Put on your best shirt)  
I can't miss another night like this  
(Cool like bad kids)

(Can't quite remember)  
What we did finally we fit in  
(Cool like bad kids)

Bad kids

Cool like bad kids
